

## **AMENDMENTS TO THE SPECIFICATION**

**Please Amend the paragraph starting on page 7, line 20 as follows:**

The data structures and code described in this detailed description are typically stored on a computer readable storage medium, which may be any device or medium that can store code and/or data for use by a computer system. This includes, but is not limited to, magnetic and optical storage devices such as disk drives, magnetic tape, CDs (compact discs) and DVDs (digital video discs), ~~and computer instruction signals embodied in a carrier wave. For example, the carrier wave may carry information across a communications network, such as the~~ Internet.
